Description: (excerpt from the press release)

The Leonard & Bina Ellen Art Gallery is pleased to present **IGNITION**, an annual exhibition that features new work by students completing their Master of Fine Arts degree at Concordia University's Studio Arts program. This exhibition provides an up-and-coming generation of artists with a unique opportunity to present ambitious, interdisciplinary works in the professional context of a gallery with a national and international profile. This year, **IGNITION** features seven artists whose practices include photography, video, installation, drawing, and sculpture.
